“Health through Strength” is the motto of this camp! Weightlifting is a sport and an exercise that can be practiced well into old age. The “barbell prescription” has benefits that will last a lifetime.

We will have two hour training sessions Monday, Wednesday, and Fridays in June. The program will be loosely based on the 5x5 Starting Strength Method, with the emphasis being on technique. The goal is for the students to take the knowledge with them and apply it on their own. Comfortable exercise clothes and hard flat sole shoes such as Chuck Taylors or Adidas Adipower Olympic weightlifting shoes are preferable.
