EPISCOPAL DAY SCHOOL

# 2017 • 2018 ANNUAL REPORT

*Bishop Noland Episcopal Day School provides academic excellence  
to a diverse student body in a Christian environment.*

Dear Parents, Faculty and Staff, and Supporters of Bishop Noland Episcopal Day School,

We have had a wonderful year. The 2017-2018 school year has been one of remarkable success and achievement. Your support has meant so much to our students. Our school will celebrate its 65th anniversary this year. We have come so far from the seven students in that first kindergarten class in 1953. We will be breaking ground on an unprecedented expansion to add an upper school on the south campus at the corner of Big Lake Road and Graywood Parkway this fall.

Our school is focused on 21st Century learning and teaching. Walking into the Commons in the mornings you see students working collaboratively to solve the problems and challenges set before them. Critical thinking, creativity, and imagination are a part of the process of their everyday learning. We are a school of innovation and inquiry. Socratic seminars allow students to discuss an essential question. By reviewing a topic provided to stimulate discussion, this technique helps our students learn to think critically and support their ideas with data.

EDS works to teach our students the importance of being global citizens. We have the luxury of experiencing cultural differences since we have students whose heritage is from over twenty different countries. Our mission is to provide academic excellence to a diverse student body in a Christian environment. Each child learns that he/she is able to make a difference in the world.

EDS is the only school selling regularly at the Cash and Carry Farmers' Market and one of the very few schools recycling. Both give students real life experiences while extending global citizenship to sustainability. All students plant and grow seeds, harvest the produce, and prepare things to sell at the market. Not only do they learn about horticulture but they get practice counting change, meeting the public, and marketing their product. There are many service learning projects that show students other ways to make a difference and take the initiative to help others. The third graders knitting hats for cancer patients and the middle school students stocking the "Little Free Pantry and Library" on our school property are but two of the many projects our students do to help others.

We want to thank you for your support which is truly a blessing and gift to each child. We hope that you will come and enjoy the various programs; have lunch with your child or grandchild; chaperone a field trip or just enjoy the many amazing things that are happening across the campus and in the hearts and minds of our students.

With the deepest gratitude

The Reverend Frances "Boo" Kay+

Head of School

# EDS FAMILY OF ANNUAL FUNDS

Annual giving provides direct funding for educational initiatives that tuition alone does not cover. The Family of Annual Funds includes the Eagle Fund and Auction. These gifts have an immediate and direct benefit to each student and faculty member as well as to the quality and scope of school programming.

**The Eagle Fund** is part of our Annual Giving Program at Bishop Noland Episcopal Day School. It is a critical part of our school’s fundraising efforts. It is funded by money donated by EDS trustees, parents, students, faculty/staff, alumni, grandparents, friends and Good Shepherd parishioners. These funds provide resources that enrich the educational experiences of our students. It supplements program funding and helps to provide enhancements. The Annual Giving Program allows for a flexible response to the school’s needs. This year the Eagle Fund has provided professional development opportunities, tuition assistance, new laptops, computers and iPads, a new school bus, and a new roof for the Commons. Our goal is 100% participation. Each donation is valued regardless of size. It all adds up to make a BIG difference in the life of the school.

Gifts to the Eagle Fund are recognized in giving circles. Annual Giving Circles are as follows:

Violet Hardtner Howell’s Society .....	\$25,000+
St. Francis’ Circle .....	\$10,000-\$24,999
Bishop Noland’s Circle .....	\$5,000-\$9,999
Father Crandall’s Circle .....	\$2,500-\$4,999
Maroon and Gray Circle .....	\$1,000-\$2,499
Eagle’s Circle .....	\$500-\$999
Patron’s Circle .....	\$250-\$499
Friend’s Circle up to .....	\$249

**The Auction** held annually in October is a dinner with silent and live auctions planned by an Auction committee consisting of parent volunteers. It is the largest social event of the year and becoming involved is a great way to meet other parents and make a valuable contribution to the school. Our Auction is supported by our parents, parishioners, grandparents, and the entire community. The school relies on contributions from the Auction to provide critical support to the operating budget by offsetting expenses not covered by tuition. Your patron sponsorship will be recognized in the Auction program and in our Annual Report.

You will be recognized as a Banner Donor if you made contributions to both of our annual giving opportunities: Eagle Fund and Auction as a patron. Should you have any questions about this program or events contact Laurie Ardoin Director of Annual Giving and Development Services at (337) 433-5246.

*In cases where employer matches gifts the donor receives recognition for the total amount of gift.*

# STRIVING FOR 100% PARTICIPATION

Bishop Noland Episcopal Day School is a very giving community. The Eagle Fund receives gifts ranging from \$5 to over \$10,000 from Faculty/Staff, Board of Trustees, Parents, Alumni, Parents of Alumni, Vestry, Grandparents and Special Friends. Every single gift is important and appreciated. One of the most affirming trends at EDS is that our Faculty/Staff traditionally achieve 100% participation.

Why is parent participation emphasized so much? Above all it means additional resources to fund our operating budget. Strong participation is also a symbol of a school's maturity and credibility. Some of the most seasoned and prestigious private institutions nationwide achieve 100% parent participation in their Annual Funds. Furthermore when funding is sought from outside sources for capital campaigns 100% participation displays strength of financial position and community loyalty.

## BANNER DONORS

*Banner Donors have participated in both giving opportunities: Eagle Fund and Auction as a Patron.*

# Advancing The Vision

*A Capital Campaign for Bishop Noland Episcopal Day School*

This past school year saw the launch of Advancing the Vision Phase 2 of the south campus campaign. This campaign seeks funding for the construction of a new middle and high school as well as a campus life center and gymnasium. The project's total cost is \$7 million; Phase I of the campaign brought in \$4.9 million in gifts and pledges. With a generous \$1 million matching gift, that left \$1.1 million to raise. To date we are thrilled to announce we have raised \$898,363. We are overwhelmed with the generosity of our EDS family and community. We are continuing to work hard to raise the funds and are looking forward to our groundbreaking this August. For more information contact Allison Schnake in the Advancement Office at [aschnake@episcopaldayschool.org](mailto:aschnake@episcopaldayschool.org).

## \*The President's Award for Educational Excellence

The President's Award for Educational Excellence recognizes outstanding academic excellence in the classroom. To be eligible for the President's Award for Educational Excellence, students must maintain a 3.5 grade point average throughout their middle school years and score in the 95th percentile on reading or math on nationally-normed tests.

## +The President's Award for Educational Achievement

The President's Award for Educational Achievement recognizes students that show outstanding educational growth, improvement, and commitment in their academic subjects through hard work and giving of their best effort.
