Boo's View

Spring is Here...the Sun is Shining...Let's Us Give Thanks!

What a difference the sunshine and spring weather makes! It may be short lived but it certainly is a game changer. You can see bigger smiles and a "spring" in each person's step! LENT comes from the root word that means spring. The word is derived from the Old English word *lencten*, which denoted both the season of spring and the ecclesiastical season of Lent. *Lencten* is ultimately derived from the same root as the adjective long. The meaning "spring" probably arose because spring is the time of year when the days grow longer. It is the time of year when the flowers and trees are blooming and new life is abundant. Jesus died for us that we all may have eternal life one day with Him. I hope you will take advantage of the many opportunities for worship during Holy Week. This Sunday is Passion or Palm Sunday. St. Andrew's in Moss Bluff is hosting Palm Cross folding and a light lunch from 10:30 – noon on Saturday, April 13th at 1532 Sam Houston Jones Parkway. Join us if you can! Thank you all for supporting our Carnival last Friday afternoon. We had a great time with everyone. The crawfish were huge and cooked to perfection. It was fun just visiting with each other. I hope you enjoyed this new venue.

Principals for the Day

On **Tuesday, April 16th** Maddie and Mia Portie and Alivia Shanks will be our principals for the day. On their special day they have decreed the following:

- It will be a casual clothes day, Tuesday, April 16th!! Students may wear spring colors, Easter themed t-shirts, and their attire must follow the casual clothes policy located in the Parent/Student Handbook pages 52-57.
- It will also be a free nutrition day (for snack and lunch)
- Students will also enjoy 5 extra minutes added to their recess!

The program will be loosely based on the 5x5 Starting Strength Method, with the emphasis being on technique. The goal is for the students to take the knowledge with them and apply it on their own.
