## This Year's Focus Area

Each year there is an internal school focus and external school focus. The external focus is one that the faculty, students and parents help develop and enjoy. This year's external focus, for the second year in a row, is **21<sup>st</sup> Century Leadership**. We continue our partnership with The Franklin Covey Group. This year students in K-6 will receive booklets to provide easy access to those activities for our faculty and students on *The Leader In Me*. Consultants will work with faculty to maximize our implementation and results.

The internal focus is **Reading - the Most Critical 21st Century Skill**. Transitioning from learning to read to reading to learn is essential for students moving into intermediate grades, middle, and high school. Adolescent readers must be able to navigate increasingly complex texts and develop deeper knowledge. Encouraging children to read and write at a young age and building on that foundation throughout their learning experiences as students, educators and parents alike are laying solid groundwork and equipping children with tools needed for their future success.

## Carpool Guidelines

We have included a carpool map along with carpool instructions for you to follow in dropping off and picking up children. For the safety of our children, *it is imperative that you follow these directions!*

There are a few other things we would like to mention to ensure the safety of all students, parents, and teachers and help us to get through carpool quickly and safely as possible.

1. Please attach your carpool sign (given on the *meet your teacher day*) to the passenger side visor. It is much easier to see than in the window. Keep it visible until you leave the carpool lines. Use your sign every day, all year.
2. Please do not stop on the crosswalk. These white lines are designated for street crossers.
3. Make eye contact with the Safety Patrol student holding the STOP sign before pulling up or driving off.
4. Load students only in the lane that is adjacent to the covered walkway.
5. Please help students load as quickly as possible.
6. Note that the corner of Reid and South Division is a **four-way** stop.
7. The EDS carpool is a **“No Cell Phone Zone”**.
8. Do not park in the handicapped spaces unless you have handicapped tags visible.
9. Please be courteous.
10. First – 8<sup>th</sup> grade parents should not enter the carpool line on Mill Street. Please use Pine Street ONLY.

# A Big Round of Applause to...

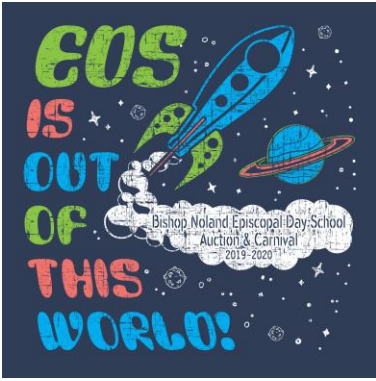

**(NOTE: If you would like to thank someone who has volunteered or done something special at the school, please send their names to Kelly Davis ([kdavis@episcopaldayschool.org](mailto:kdavis@episcopaldayschool.org)) by Tuesday of each week.)**

Thank you to the faculty who held camps this summer. It was a great success and students really enjoyed being on campus with their friends, learning new things and simply having something to do over the summer.

The Faculty, Staff and Parent Guild would like to thank all those who helped with the used uniform sale. We appreciate Courtney LeBlanc, Aimee Hankins, Stephanie Potter, and Amanda Pousson. Your time and assistance were very much appreciated.

We would like to thank Scott Potter for installing a timed watering/drip system to our container gardens. This will help keep our gardens growing.
