Robotics and Engineering CampIncoming 2nd – 3rd graders

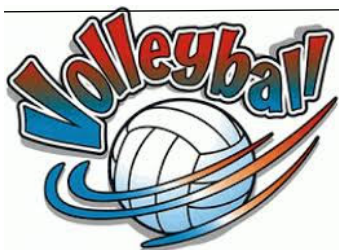

\$75

\$50 supply fee

Camp Director: Charlotte Campbell

EDS North Campus Tech LabJune 14th – 17th; 8:30am-11:30am

Kids imagine, collaborate, explore, and create all while learning super cool STEM skills that will help them in school and in life. In our Robotics and Engineering camp, kids learn how to build and program a variety of robots. They bring their creations to life – how cool is that? Each theme-based session encourages creativity and imagination as kids brainstorm, build, and experiment with amazing robots. Each child will also get to take their robot creations home! To begin, we will build several DC motor robots powered by student made electrical circuits. The culminating event of camp will be assembling and coding a Mech-5 Robot that the students will program to compete in the Robot Olympics on the final day of camp. These robots can lift, kick, draw, and more. Students will also get to take their Mech-5 home with them!

**EDS Volleyball Camp**Incoming 5th-7th gradersIncoming 8th – 10th graders

\$85

Camp Director: Coach McBride

EDS South Campus GymnasiumJuly 12th – July 15th, 8:30am-11:30amJuly 19th – 22nd, 8:30am-11:30am
